a

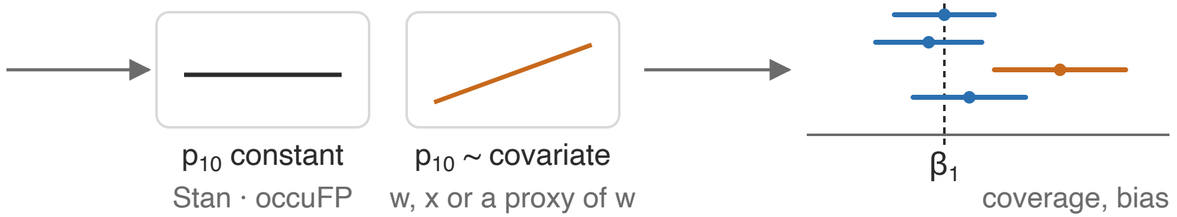

species present (z = 1)

soundalike, rises along w (correlated with x)

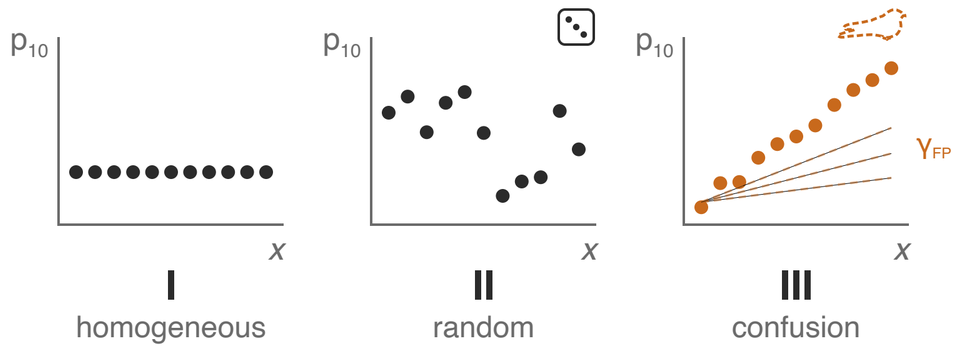

true detection (p_{11})

false positive (p_{10})

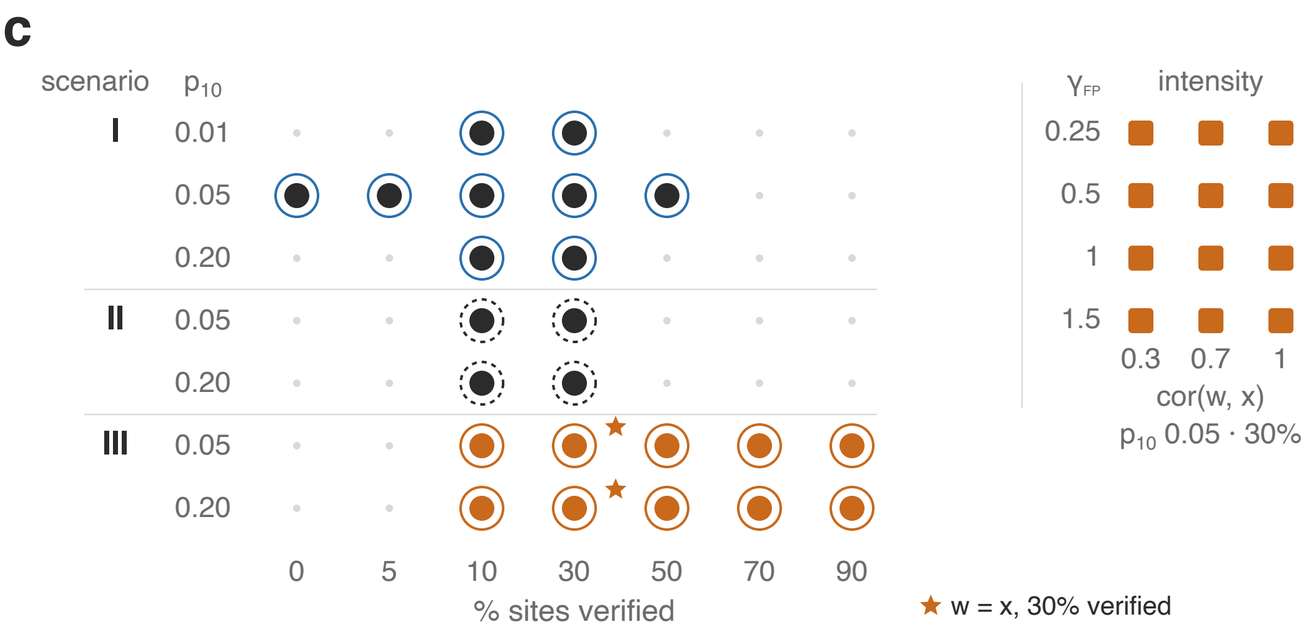

verified clips (certain)

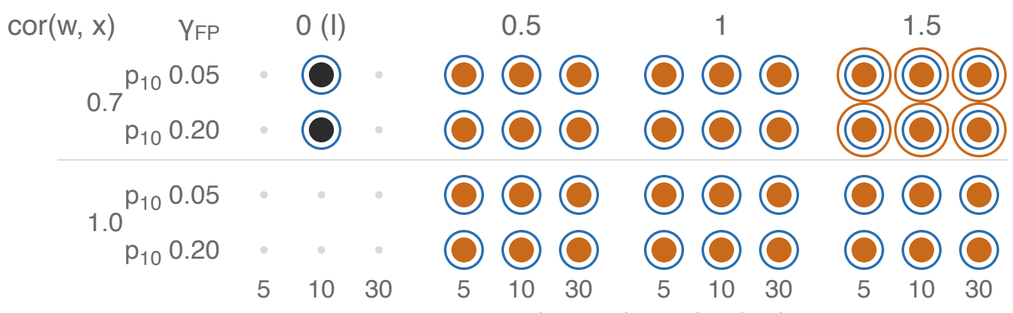

b

c

d observation confirmation: no verified sites, a share of occasions checked

constant p_{10}

+ p_{10} ~ x

+ p_{10} ~ w, x or a proxy of w

+ site random effect on p_{10}

intensity (constant p_{10})

d: + p_{10} ~ w
